## CACHFIRES

## **SQUARE TABLE PATIO HEATER**

GAS-60-030

The Planika Fires Square Table is an elegant and functional patio heater that blends stylish design with practical heat output. This square table heater is perfect for outdoor living areas where you want to create a cosy atmosphere. The gas bottle is discreetly hidden within the module, preserving the unit's sleek appearance. With flames shielded by glass and easy portability, the Square Table offers both safety and flexibility. Remove the tabletop around the burner for added warmth, and enjoy extended summer evenings without worrying about dropping temperatures.
